Environmental Pest Service LLC is a leader in sustainable solutions for termite and pest control, and lawn care services in the Southeast.

This marks the third consecutive year Environmental Pest Service has been on the Fast 50 List. The company has seen its revenue grow from just over \$8 million in 2012 to \$48 million in 2016. This represents a 600 percent growth over five years.

The company, which was founded in 1958, recently relocated its headquarters to Tampa from Sarasota.

The company has grown primarily through mergers and acquisitions, having acquired and merged with more than 80 companies since 2010, according to a press release.
